To Custodian of Records:

Under the **Texas Public Information Act, §6252-17a et seq.**, I am requesting copies of the following public records:

The records indicating the result of the drug screen for former Chapel Hill ISD employee Samantha Phillips. This test was mentioned in a letter from Chapel Hill school nurse Rhonda Wilson in a letter/email dated May 6, 2011 and addressed to Titus Regional Medical Center; Attn: Becky.

The Texas Public Information Act requires that you "promptly produce" the requested records unless, within 10 days, you have sought an Attorney General's Opinion. If you expect a significant delay in responding to this request, please contact me with information about when I might expect copies.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

**Cody Wommack**
