Re: Request for Public Information/Chapel Hill ISD

Dear Mr. Wommack:

Chapel Hill Independent School District ("District") is in receipt of your Texas Public Information Act (TPIA) request dated August 8, 2016. A copy of the original request is attached as Exhibit A.

In your TPIA request, you made the following request for information:

"The records indicating the result of the drug screen for former Chapel Hill ISD employee Samantha Phillips. This test was mentioned in a letter from Chapel Hill school nurse Rhonda Wilson in a letter/email dated May 6, 2011 and addressed to Titus Regional Medical Center; Attn: Becky."

There are no documents responsive to this request. The District has no further documents responsive to this request. Please note that the Public Information Act does not contemplate that a governmental body is required prepare new information in response to a request. *See A & T Consultants v. Sharp*, 904 S.W.2d 668, 676 (Tex. 1995). Nor does the PIA require a governmental body to prepare answers to questions or perform legal research. *See Tex. Att'y Gen. ORD-568 (1990) at 8 (considering request for federal and state laws and regulations), ORD-555 (1990) at 1-2 (considering request for answers to questions).* The District's duty under the Act is to provide information that already exists.

Thank you for your attention to the foregoing, and please do not hesitate to contact the undersigned with any questions.

Sincerely,

Annabel Canchola
